WOODSTOCK PUBLIC SCHOOLS

Teacher of the Year 2010

Dear Woodstock Staff, Parents, Students, Board, and Community Members:

I would like to extend an invitation to you to nominate a teacher from the Woodstock Elementary or Middle School for "Teacher of the Year". This individual will represent our town in the Connecticut Teacher of the Year Program sponsored by the State Department of Education.

The Program is designed to recognize and honor the contributions of all teachers, and identifies, from among the many outstanding teachers, one to serve as a visible and vocal representative of what is best in the profession.

The Teacher of the Year Program gives students a sense of pride in their teachers, showcases teachers as positive role models, and encourages students to think about teaching as a career.

I hope you will take the time to fill out this form. Please include comments supporting why you feel this teacher should be recognized. The most important quality a nominee should possess is a superior ability to inspire learning in students.

Please return the completed nomination form in a sealed envelope no later than Friday, June 12, 2009 to the Woodstock Elementary School, Woodstock Middle School, or the Superintendent's office. Results will be announced at the June 25, 2009 Board of Education Meeting.

Sincerely,

Francis Baran, Ed.D.

*Former Teacher of the Year
