The Woodstock Board of Education invites the Woodstock community to join us and your other elected officials at an informal “Meet and Greet” event to be held on February 22, 2012 at the Inn at Woodstock Hill, from 7:00 p.m.- 9:00 p.m.

The purpose of this event is purely social; we hope our Woodstock citizens and our elected board and commission members and other officials will better get to know each other as individuals, away from the constructs of official roles and responsibilities. Trustees of the Woodstock Academy are invited, as is our Superintendent, Dr. Francis Baran, and the Headmaster of Woodstock Academy, Mr. Kim Caron. A cash bar will be available, along with light snacks. The Woodstock Middle School Jazz Band will be featured with a performance around 7:30 p.m.

Please note that this is a social event and not a “Public Meeting.” In order to comply with requirements of the Freedom of Information Act, elected officials may not discuss town or board- related business.

Mr. Richard Naumann of The Inn at Woodstock Hill is generously making available this lovely venue and is donating the light refreshments in order to make this event possible.

To help us better plan, we ask that you R.S.V.P. to let us know if you will attend. Please respond by Wednesday, February 15th to the Superintendent’s office at 928-7453 ext 312 or milanesek@woodstockschoools.net.

We look forward to seeing you on February 22nd.
