Dear Sir or Madam:

We are writing this letter to inform you about our annual charity event coming up this spring. Last year, the Jog With Judy 5-K Road Race was a huge success with about 600 runners participating. We also had a large number of sponsors who donated and had their name displayed on the runners' t-shirts. **We would like to offer you the opportunity to sponsor this event in a way that would help your business and help our cause at the same time.**

Jog with Judy was created in memory of our colleague and friend here at the Woodstock Middle School. I would like to tell you a little about Ms. Nilan, so that you will understand how special she was to our school and our community.

Judy was a social worker here at Woodstock Middle School. She was tragically killed while jogging near her home in Woodstock a week before Christmas in 2005. She was a dedicated social worker and friend to many of the people here at our school. She would work extra hours and dedicate her time to coordinating programs to help students through the middle school experience. She planned many school wide events and her goal was to help the students through difficult times in their young lives and show them how to respect and care for each other. She had many visions of other programs she wished to start in the near future. Unfortunately, she would not be able to make those plans come true. We, on the other hand, believe her projects and ideas are worth keeping alive, in memory of her and for the future students who will come through our school. Our event is a 5K-road race in the town of Woodstock. We would like to know if you would want to be part of our event. All donations are due no later than **April 14, 2009.**

Your options for your **TAX DEDUCTABLE** donations are as follows:

\$100.00, \$200.00, \$300.00 or more: to cover expenses of the race and free advertisement of your company name on all advertisements for the race including t-shirts and flyers.

Cases of small water bottles are also greatly appreciated

Sincerely,

Christopher Mayhew, Jennifer Prather, and Susan Rioux
