

The following message went out to all parents/guardians of students in PreK-grade 8 on Tuesday evening via the "Robo call" telephone notification system.

Under the TITLE= "10/27/09 H1N1 Flu Vaccination Clinic Information".

Northeast District Dept of Health (NDDH) will be coming to the schools to administer the school-based H1N1 flu vaccination clinics, but as of 10/23/09, does not anticipate having enough vaccine to do so until late November/early December. Parents will be notified and letters along with permission slips will be sent home as soon as these forms become available to the school system. The automatic school phone notification system will be activated at the same time the letters are sent home. The actual dates of the clinic may not be known at the time the permission slips are sent home, but parents will be notified of the dates of the clinic as soon as they are scheduled. Keep checking the school website for further information and updates which will be posted as soon as available. The automatic school phone notification system will be utilized for crucial updates for parents
