September 23, 2009

Dear Parents/Guardians of Woodstock Public School students:

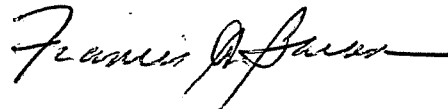

The Woodstock Public Schools, in cooperation with the Northeast Area Department of Health, will be offering H1N1 (Swine Flu) vaccinations to all students in the PreK-8 district. Each parent/guardian will be asked to sign a permission form indicating whether or not they desire to have their child(ren) receive the vaccination.

When the permission forms are received from the Northeast Department of Health, we will distribute them by having your child(ren) carry a permission form home. In addition, we will use the automated telephone system to alert you that the permission forms are being sent home with your child(ren).

In order to inform the Northeast Department of Health of the correct number of doses of the vaccine that we will require, it is crucial that you return the permission form within the time frame outlined. It is important that we receive a permission form for each child. We will assume, if you do not return the permission form, that you do not wish to have your child(ren) vaccinated.

If you have any questions or concerns please do not hesitate to call me at 860-928-7453.

Sincerely,

Francis A. Baran, Ed.D.
